

Reg Langston

Reg is a founder member of LOHP and started active conservation work in the Little Ouse valley as the voluntary Parish Council warden for Hinderclay Fen in 1998. He is a retired primary school teacher/headteacher with experience of management, budgets, chairing meetings and communicating with the public and professional organisations. Before teaching he was a warden on various National Trust and Royal Society for the Protection of Birds reserves throughout the country. He continued practical conservation projects when he became a teacher, often linked with his hobby of bird ringing. He is the nominated Parish Councillor for Hinderclay.
