The Little Ouse Valley Remembered

Gifts in Wills

Remembering LOHP in your Will helps to ensure the long-term future of the unique wildlife and landscape of this beautiful valley.

After they've taken care of their families in their Will, many of our supporters decide to leave a legacy to 'Little Ouse Headwaters Project'. There are two types of gifts you can make in your Will – either a pecuniary gift (a fixed amount) or a residuary gift (a share of your estate). As well as helping LOHP, a gift to us in your Will is also inheritance tax exempt. Your solicitor or Will writer will be able to advise you on this.

Any gift you leave will be used to continue the conservation work of LOHP. If you wish to remember LOHP in your Will, your solicitor or Will writer will need the following information:

Registered name: Little Ouse Headwaters Project

Charity number: 1098232

Registered office: Thelnetham Windmill, Mill Road,
Thelnetham, Diss IP22 1JS

'In memory of'

People often wish to remember their family and friends through gifts made "in memory of". Celebrate your life through a donation – helping us to maintain habitats for otters, water voles and kingfishers, rare river valley fens, heathlands and woodlands in the beautiful Little Ouse valley – a gift that will help us to safeguard our wild places for future generations to enjoy.

Your funeral director can make the arrangements for friends and colleagues to contribute to an 'in memoriam' donation to LOHP as a living tribute to your loved one.
